## Living is easy in Eastman Village

Working with Harrow Council to contribute to wider regeneration plans, Barratt London is helping transform the local neighbourhood of Wealdstone with high-quality housing and new communal facilities. Providing over 1,000 of the 5,000 new homes promised as part of the council's 'Heart of Harrow' regeneration scheme – as well as plenty of open green space for local residents and a number of commercial units – Eastman Village is sure to be a thriving and exciting location for you to call home.

The first phase of the development will provide 460 one, two, three and four-bedroom homes. Most homes will have a balcony or terrace, and parking will also be available for selected two, three and four-bedroom homes.

Building on the legacy of the 125-year-old Kodak site, an expansive public park and communal gardens will surround the new homes at Eastman Village, with a series of pedestrian routes connecting Harrow View Road to the new park – perfect for al fresco gatherings with friends and family.

With excellent links to central London and further afield, a range of amenities close by and plenty of green open space, a home at the heart of this exciting new development coming to Harrow in 2019 could be yours.

# Why Barratt London?

**Barratt London's vision**  
 Since the construction of our first London development in 1982, our goal has been to provide high-quality homes for all Londoners by focusing on excellence in design, construction, customer service and long-term asset management. The supply of new housing is essential to the continued growth of London as a major global city and Barratt London is proud to be contributing to this with the delivery of 1,500 new homes each year.

As part of Barratt Developments Plc, the UK's largest house builder by volume, we are fully committed to delivering a superior service for our customers and have been awarded the maximum five-star rating for customer satisfaction by the Home Builders Federation every year since 2009.

**Real peace of mind**  
 Not only does every Barratt London home come with a ten-year structural guarantee from the NHBC, it also comes with a two-year fixtures and fittings warranty, giving you peace of mind from the moment you move in. In addition, we are the first major developer to provide an in-house property management service, BRAM, which is tasked with managing and maintaining all the common and external areas surrounding our developments.

BRAM will take care of the stairwells, halls, gardens and roofs, doing jobs such as repainting and fixing lightbulbs, while ensuring any repairs to lifts or communal boilers are carried out as quickly and efficiently as possible. As an extension of Barratt London, BRAM knows our developments inside out so you can rest assured in the knowledge that both your home and its surroundings are in good hands.

**Ten-year NHBC Buildmark Warranty**  
 When you move into a new-build home, you expect everything to be pristine and in working order. With a new Barratt London home you can expect it to stay that way, with the ten-year structural NHBC Buildmark Warranty and a two-year fixtures and fittings warranty.\*

\*First two years covered by Builder Warranty & NHBC Guarantee or similar. Years three-ten covered by NHBC insurance or similar. Full exclusions and limitations can be found on the NHBC website.

## The Consumer Code

The Consumer Code for Home Builders ("the Code"), which came into effect in April 2010, applies to all home builders registered with the UK's main new Home Warranty Bodies: NHBC, Premier Guarantee and LABC Warranty.

The Code gives protection and rights to purchasers of new homes. It requires all new home buyers to be treated fairly and ensure they are fully informed about their purchase before and after they sign the contract.

The aim of the Code is for all new home buyers to:

- be treated fairly
- know what levels of service to expect
- be given reliable information about their purchase and their consumer rights before and after they move in
- know how to access speedy, low-cost dispute resolution arrangements to deal with complaints about breaches of the Code.

The Code reinforces best practice among home builders to encourage a consistently high level of information and customer service. It builds on successful efforts already made by the industry to improve consumer satisfaction in recent years.

The Code covers every stage of the home-buying purchase – pre-contract, exchange of contract and during occupation.

As a 5 Star Housebuilder, we are committed to the Consumer Code for Home Builders. For more information on the Consumer Code for Home Builders, please visit <http://www.consumercode.co.uk/>
